"The "M"

This year's "M" is about "turning the page," which can mean many different things to the students of MHS. Fortunately, we were able to finally turn the page on the Covid 19 virus that had impacted our lives over the past two years. At the beginning of 2022, we were finally able to see each others' faces again, go to a basketball game at Wharton, eat lunch in the cafeteria, dance inside, and just feel a bit more normal again.

In the book of life, we are turning the page everyday--turning to a new job, a new relationship, a new passion, or a new goal. Each student of MHS has their own personal story, and we are lucky to share those stories with one another. Even though we might have different backgrounds and experiences, at Moline we may become friends while working on a project, teammates on the soccer field, or respectful classmates figuring out a math problem. Who knows what lies ahead for each one of us?!

Enjoy each new page, chapter, or even new book of your lives, and enjoy the 2022 "M."

This school year has been one wild ride with plenty of ups and
them I see hope, I see strength, I see grit, and I see the future.

STUDENT LIFE

SUPER FANS

Moline Superfans showed up game after game and cheered on the Maroons all season long. Rain or shine, hot or cold, the student section was always filled with fans ready to cheer everyone on in a new theme each game!

USA

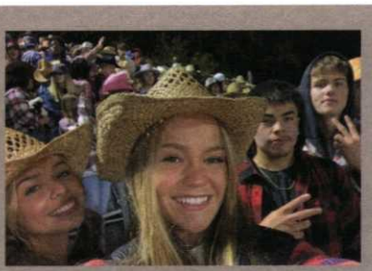
Fans celebrating the first home game of the season with USA theme against Benet Academy.

PINK OUT

Superfans celebrate a victory in pink at Sterling in a close game for a big conference game.

CAMO

Everyone painted up for camo night against Rocky. A huge crowd showed up for fan favorite theme.



COUNTRY

Senior night against Geneseo had superfans dressed up in their best country clothes.

BLACK OUT

The basketball superfans showed up to Galesburg for black out during the first game of the season.

NEON

The home game against Alleman saw many superfans in their bright neon outfits.

MAROON AND WHITE

A big game against Quincy called for a big superfan section decked out in Maroon and White.

HAWAIIAN

Even in the cold winter weather, superfans got ready for the beach in a home game against Galesburg.

Left: Logan Sebben, Trevor Francque, Zach Holton, Ethan Sountris lead the superfans in cheering at the last boys home basketball game.

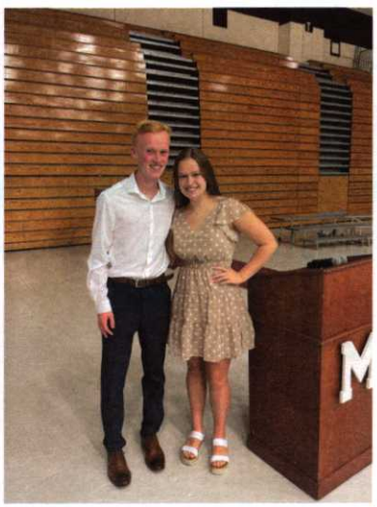
Left: Superfans cheering on the varsity boys basketball team as they take on Rocky in a big Conference game.

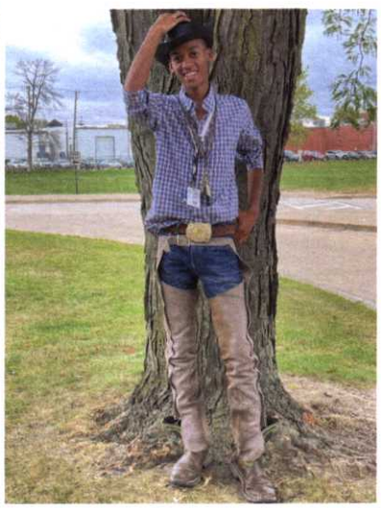
[HOMECOMING WEEK 2021]

Homecoming week kicked off with 5 filled days of themes, the activities fair, and an exciting coronation. Friday night the Maroons crushed the Galesburg Streaks in a huge win. We had our first dance since the pandemic, and it was a definitely night under the stars to remember. Homecoming was held outside at Wharton Field House where everyone danced the night away.

FLOAT Building

This year with the homecoming theme Under the Stars, the seniors got creative and worked hard all week to build the winning MTV astronaut. It went up against the junior float, which was a tent. Float building is a fun homecoming activity that students come together for each night to eat food and pomp.





CORONATION

Each year the students and staff nominate a group of seniors to make up Moline High Schools homecoming court. This year's Homecoming court consisted of 12 senior girls and twelve senior guys based on votes from the student population. After the results were tallied, students headed to Wharton on the Wednesday of homecoming week to await the crowning of King and Queen. This year's announcers, Hannah Gault and Zach Hemmen, introduced the court to the audience. After much anticipation, Brian Comp and Caroline Hazen were crowned this year's king and queen, along with Richard Valle and Yoselin Martinez who were deemed Prince and Princess.

COMMUNITY INVOLVEMENT

Involvement within the community is very important for the success of Moline and the students at MHS are proudly able to say they have made a difference this year!

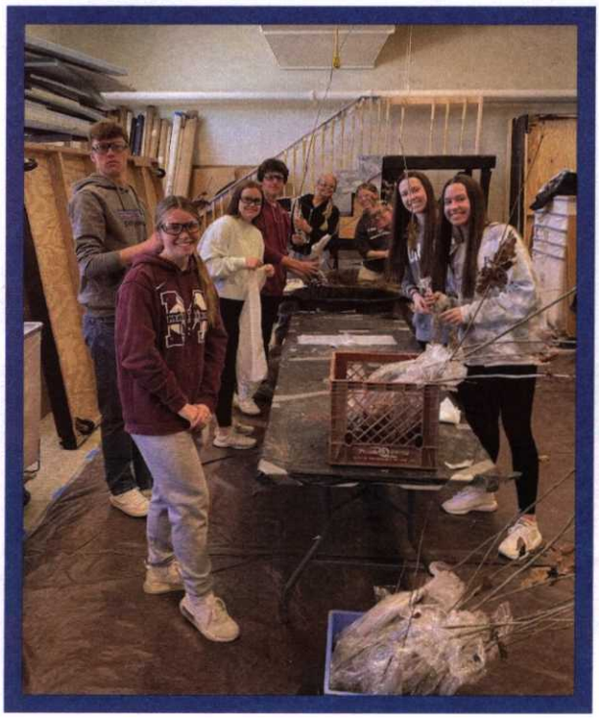
ACTIVE COMMUNITY MEMBERS

"It felt great knowing that I was helping the enviornment by wrapping trees for Living Lands and Waters and was making a difference in our community."
- Kathering Gass, Senior

"Moline High School students worked extremely hard and put in numerous hours of volunteer work in order to collect a substantial amount of food to feed our community"
- Abby Comp, Junior

"I truly enjoyed being a part of such a rewarding experience. Everyone there was super nice and taught me a lot about helping the environment."
- Elle Spence, Junior

All year long, Moline students work hard spending numerous hours volunteering around the community from collecting cans for the Hunger Drive to wrapping trees for Living Lands and Waters.



Moline's spring musical was back after COVID and it was definitely one for the books. *Annie,* was a touching story of a young orphan in search of he parents who gets the opportunity to meet Mr. Warbucks who changes her life forever. The musical closley follows the popular movie and cauwas a production to remember.

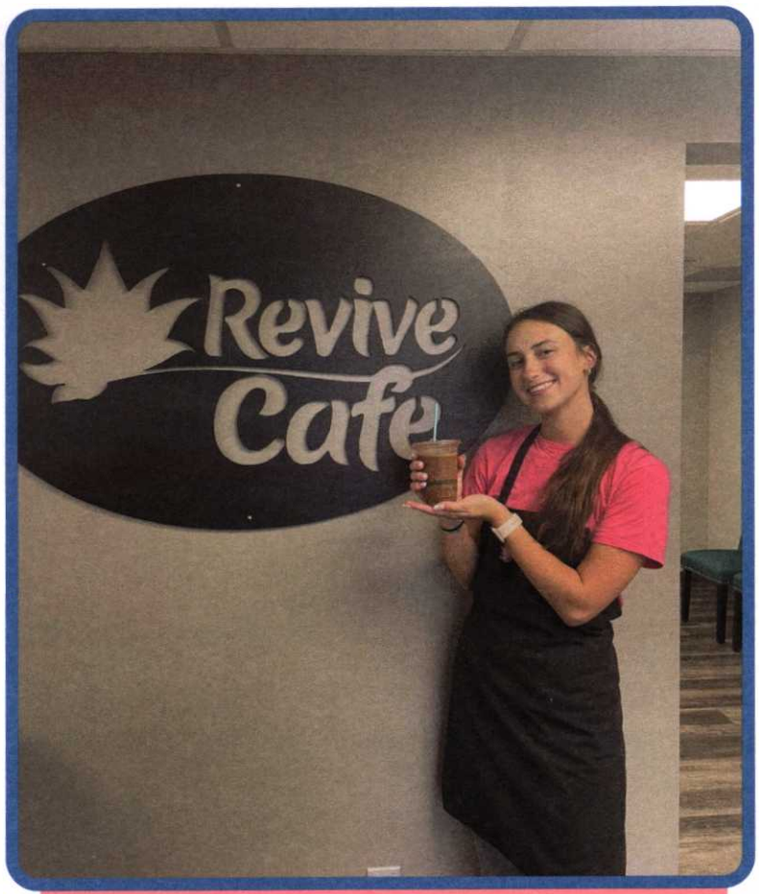
Juggling School and Work

Sophie Greko writing a set while coaching swimming at Moline!

Carly Rouse coaching Platform Elite Volleyball.

All around the Quad Cities, MHS students are hard at work at everything from serving drinks to coaching youth sports! Balancing school work, sports and extra-curriculars is challenging and keep students busy but they all make it look easy.



Kacie Knary making smoothies at Revive Cafe!

Peter Adams lifeguards at the YMCA!

Megan Neill serving energy drinks at the new Atomic Coffee Bar!

Leadership in the Community

Every three weeks since the beginning of the school year, a mix of junior and senior students are chosen to represent MHS at the weekly Moline Rotary meetings. There they get the opportunity to sit down with outstanding community leaders, learn more about what Rotary is, and enjoy some good food! It is a great way to make connections and also show the accomplishments of MHS.

THE NEXT CHAPTER...

Sam Verscheure

I plan on volunteering at Niabi Zoo for the summer and going to Black Hawk to start my veterinary science degree.

Montello Tubbs

When I graduate from high school, I want to pursue a career in real estate. I just want to be successful in my life.

Kylee Carpenter

I would love to pursue my welding career. I will be going to Blackhawk to learn more about different welds.

Emma Shiltz

After high school, I plan on going to Black Hawk and then on to Wheaton College. I will be majoring in psychology so I can pursue a career in neuroscience, counseling, or basic research

Parker Terronez

In the future, I will be attending St. Ambrose University where I will be majoring in graphic design while also continuing my wrestling career.

Kadence Tatum

Going to Augustana to play basketball and study Kinesiology.

Bryan Comp

I plan on going to Blackhawk and then plan to go to Western Illinois to become a history teacher.

Isiah Gallegos

I plan on going to SIUE to continue playing soccer while also majoring in kinesiology.

Freshmen Year

Sydney Holt and Gianna Kane

Entering Moline High School was a bit intimidating at the beginning of the year. Many of us got lost on our way to class, couldn't get our lockers opened, or could barely eat our lunches after waiting in line for an eternity. As the school year passed, we became more confident and had more fun. We met new people, went out for sports, joined a club, and made the most of being a Freshman. As the year ends, we are looking forward to summer and a new year where we will no longer be the confused freshmen at MHS, but rather, we will be getting our licenses, going to work, and still having fun due to the relationships we formed during our first year at Moline.

"Our oldest son and his family are moving back to Moline from Arizona, so my new title will be grandma (in person) to my two grandkids! We are looking forward to traveling and spending our winters in a warmer climate. Congratulations, Class of 2022!"

Sherri Olson
Administrative Assistant
26 Years at MHS

"I think of retirement as being given the gift of time! My plans include taking advantage of that gift and I am looking forward to spending my time with people and pursuits that bring joy. I plan to stay young at heart and kind in spirit."

ORGANIZATIONS

The PUBLICATIONS

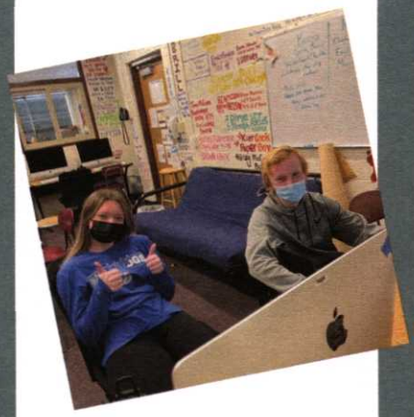
WHAT WAS YOUR FAVORITE THING ABOUT WORKING IN PUBLICATIONS THIS YEAR?

My favorite thing about working in publications this year was the opportunity to be creative and the occasional Happy Joe's dessert pizza made it an amazing experience!
- Hannah Gault, Senior

My favorite thing about being on Yearbook staff is the Happy Joe's Pizza, but also seeing the work we put in come together in the book!
- Phineas VanVooren, Senior

"M" Yearbook

Row 1: Harry Van Vooren, Zach Hemmen, Hannah Gault, Carly Rouse, Gigi Tertipes
Row 2: Trevor Francque, Phineas Van Vooren, Rylee Warpehoski, Maya Wennekamp, Quentin Nickerson
Row 3: Henry Neff, Logan Sebben, Natasha Henning, Macy Neff, Connor Francque
Row 4: Abby Comp, Lily Oswald, Diya Vishwakarma, Erin Fixen, Vivian Veto



Through the hustle and bustle of the school year, "M", Line O' Type, and Kaleidoscript work hard to capture all the moments throughout the school year. The work published by the pub takes a lot of time and seeing everything come together makes it all worth it!

"Service above self" This is what members of Interact Club strive to provide. They work endlessly throughout the fall on the Student Hunger Drive, this year raising over 80,000 pounds of can goods! Later, working hand in hand with Living Lands and Water for their Million Trees Project, helping to wrap tree saplings to be distributed. Interact Club is always accepting new members, so don't be afraid to join!

Students of Moline High School are encouraged to be leaders of their community and there are multiple ways to do so at MHS. Both NHS and Chick Fil-A Leadership Academy are great clubs to be a part of. National Honors Society members plan Sharetoys every year and work to raise as much money as possible for those in need in our district. CFALA works together with our community through different impact projects during the school year.

This year Student Congress worked to plan Homecoming while also following the COVID guidelines. Being outdoors and "under the stars" at Wharton Field House was successful! The members worked hard to go on and plan two blood drives, Sadie's, and Prom.

While they didn't have as many competitions as usual, they were also very glad to get back to in-person Tournaments!
Varsity hosted the JV tournament in November, then competed in the Rockford/Auburn IHSA kickoff, the Macomb Rotary in January (where Henry Mohr earned an individual medal as a top ten scorer), and finished the season with the Masonic Tournament at Galesburg. While they didn't get top team rankings, the team won more than they lost, improved their skills and knowledge, and had a lot of fun along the way!

If you go to the InfoHub, you can find members of the Help Desk, who will help you with issues you may be having with your Chromebook. The students put in a lot of hours and save the day for many of us. Also at the Hub, GSA meets regularly to show support for one another and celebrate each person's individuality. The Info Hub is far more than just a place to check out books.

The Moline Special Olympics team had an exciting year after having a loss of games due to Covid last season. There were a few cancellations due to the virus, but in the end, the team made it to State! They finished fourth and had a lot of fun along the way. Coach VanHerzeele continues to be proud of the team and is excited about the possibilities for the 2022-2023 season!

Back Row: Trenton Johnson, Tyler Miller, Jacob Mitchell, Nivena McCoy, Austin Wainwright

The Bass fishing team qualified for the State championship last year and hope to qualify again this spring. They hope to be the first team at Moline who can repeat the State title this year. They also placed in the top 3 of the Sectional tournament at the Lake Master and placed 1st out of the 75 teams at State by catching the heaviest 2 day limit. The team can't wait to continue their success this year.

Season Highlights:

The Boys' Soccer team had a terrific season this year; they were regional champions and got to advance on to the Sectional Final. In Conference, they were 5-2 and had multiple boys selected to be on All-Conference teams. It was an exciting beginning to the beginning of the athletic seasons, and next year looks promising as well.

"I'm so proud of how far our team went this year, knowing it was my last year playing soccer winning a regional title was extremely special. I'm going to miss all of the memories with the team on and off the field."

-Bella Smith, Senior

The cold start to spring sports hasn't stopped the girls soccer team from getting out on the field. The girls have had a good season despite the poor weather. Each player has made an impact and the seniors have really stepped up to the challenge in the WB6. The girls took a big win over rival Rock Island and another win over tough competitor, North Scott. Here's to a great ending!

Thank You

The yearbook staff would like to thank the many people who helped make this book a reality:

~ JoAnn Newberg and Nicki Lambrecht for keeping everything straight in the bookstore

~ Barry Dufault who taught us about design

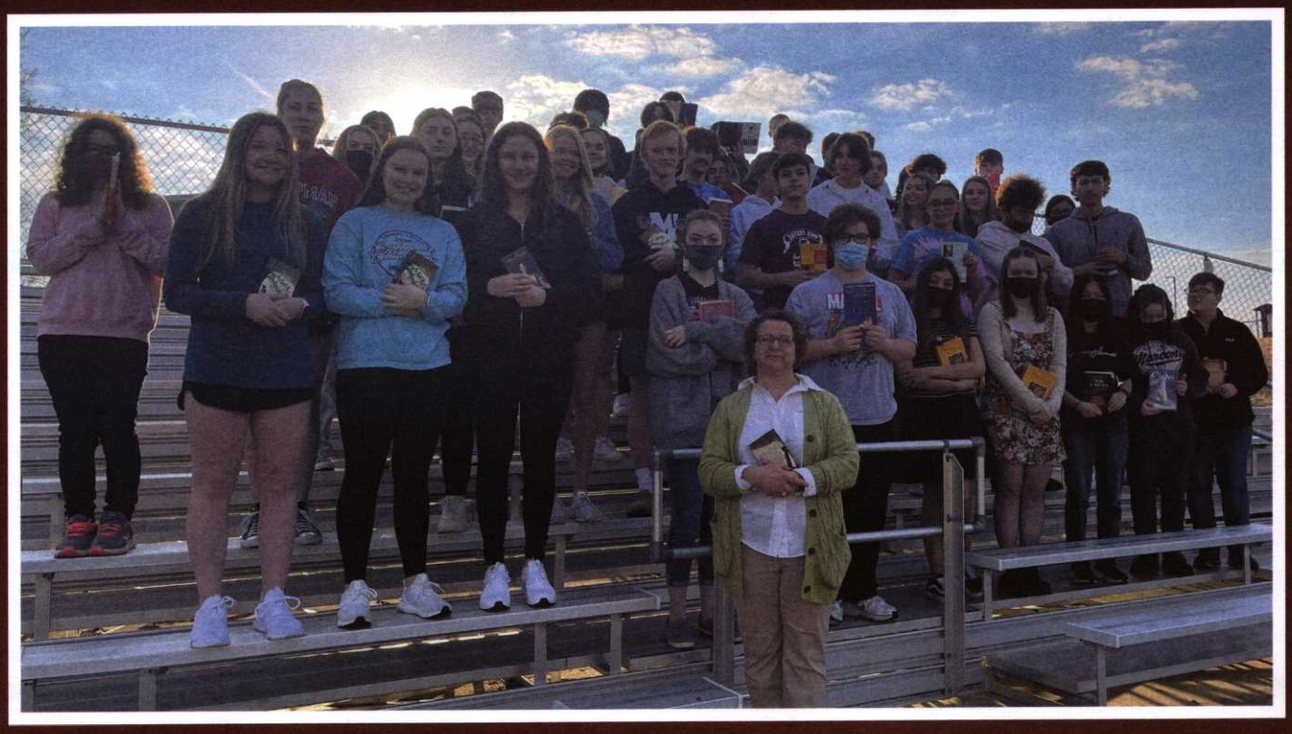
~ Happy Joe's for delivering delicious pizza

~ The teachers of MHS for being understanding

~ The students of MHS for contributing photos

As the advisor, I would like to thank the staff for their hard work, especially the seniors who made sure the book was finished on time. They will be missed!

The Last Page



As we reach the last page of a chapter, story, or book, we anticipate the excitement of what is next. In life, we will experience many different stories and chapters, each bringing us a new challenge and story to tell. Enjoy the next chapter, MHS!

Congratulations, Class of 2022!
